Here is what some have said about “The Exceptions of Jesus”

The Exceptions of Jesus is an excellent book. Ronnie Brown has taken some key passages of Scripture and opened them up brilliantly. This series of messages has been well outlined and alliterated. Thorough study has gone into each of these messages. You will be greatly blessed and helped by these key messages. – Pastor Brian Haney, [Anchor of Hope Baptist Church Rossville, GA](#).

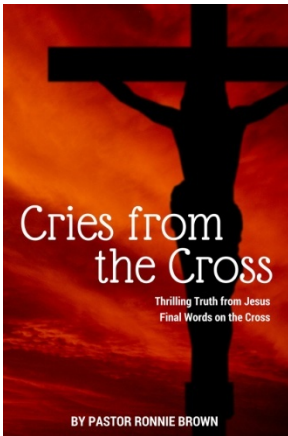

Pastor Ronnie Brown does a wonderful job of exploring a word from the lips of Jesus that we might overlook, if we are not careful. The word “except” binds these messages together, but each chapter is a thorough study of a different text and a valuable insight into the teachings of

our Lord on a number of different subjects. This book is a gospel-saturated exposition of some very important passages of Scripture. – [Dr. Terry Trivette](#) – Sharon [Heights Baptist Church, Birmingham, AL](#)

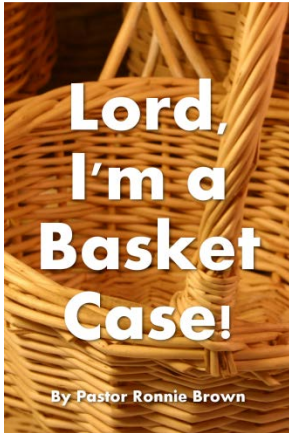

Anything that Pastor Ronnie Brown writes is filled with wisdom and clarity. He is one preacher who stays true to the eternal Word of God and has a God-given ability to put the truths of the Word on the bottom shelf so anyone can understand them. He uses alliteration in such a way in his outlines to help you retain the great truths he is expounding. No one will be disappointed in reading what Pastor Ronnie Brown writes. – Dr. Jimmy Chapman, [Victory Baptist Church of Washington Ga.](#)

[Cries from the Cross](#) is now on Sale! This e-book is a 7 chapter study of the seven sayings of Jesus from the Cross. [Building Blocks To A Strong Christian Life](#)

Like the blocks on the foundation of a home, we must build on the foundation of Jesus Christ if we are to have a strong Christian life. Although, there are probably other things that might be very necessary doctrines and teachings that contribute to a strong Christian life, in this book I offer a handful that I consider to be essential for every child of God to live a victorious Christian life. I am offering this complete series for only a share on social media. Your contribution of a social share will place this helpful resource before a wide audience. You can find this resource on my website here.
